

Product Specifications & Technical Details

Token2 - security is easy

Product Details

Token2 T2F2-mini FIDO2.1 and U2F Security Key

FIDO security keys are small USB dongles that enable secure login to websites and applications supporting FIDO2 WebAuthn and classic FIDO (U2F) standards. Token2 T2F2-mini is our smallest FIDO2 key (*only 15x12x4mm*) and is running FIDO2.1pre firmware. Token2 T2F2-mini security key combines hardware-based authentication, public-key cryptography, HOTP, U2F, and FIDO2 protocols to protect your accounts. This type of security devices provides the highest level of multi-factor authentication of user accounts with Twitter, Facebook, Gmail, GitHub, Dropbox, Dashlane, Salesforce, Duo, Centrify and hundreds more HOTP, U2F, and FIDO2 compatible services. No additional tools or applications are required and the login process is simple and reliable. Just insert the Security Key into a USB-A slot and authenticate with a simple touch. We also sell a compact USB-A to Type-C adapter, so you can use the same key with devices with USB-Type-C slots. The T2F2 security key does not require a battery nor network connectivity, so it is always on and accessible.

Specifications

| | |
|-------------------------------|--|
| Model Number | Token2 T2F2-mini |
| Button | Capacitive sensor-type integrated touch-button (on the top of the key) |
| Functions | FIDO U2F + FIDO2.1PRE+ HOTP (HID Emulation) |
| Firmware | FIDO 2.1PRE ^{FT} |
| Maximum FIDO2.1 Resident keys | 128 |
| Embedded security algorithm | ECDSA , SHA256, AES, HMAC, ECDH |
| Interface type | USB-A + USB Type-C (with optional adapter) |
| Lifetime | At least 10 years |
| Programming cycles | 100,000 times |

| | |
|------------------------|--|
| Communication protocol | CTAP2, HID |
| Management Tools | FIDO2.1 Manager or the fido2-manage command-line tool. Note: This key is not compatible with mobile companion apps. |
| Working voltage | 5.0V DC |
| Input Current | 35mA |
| Power | 0.18W |
| Working temperature | -10°C - 50°C |
| Storage temperature | -20°C - 70°C |

Summary

| | |
|----------------------------|--|
| Model Number | T2F2-mini |
| Certification | Level1 |
| Form-factor | mini form factor fitting into USB-A port |
| Functions | FIDO2.1PRE WebAuthN+CTAP |
| Additional features | HOTP |
| Dimensions | 15x12x4 mm |
| Weight | 8 gr |
| Programmable | no |
| Storage | passkeys: 128 HOTP: 1 TOTP: 0 |
| Product ID | T2-69 |
